# EXPERIENCE LAND ROVER ACCESSORIES

The new Discovery Sport brings advanced levels of desirability and versatility to the forefront and is ready to meet the needs of your journey. You can look forward to spectacular performance on- and off-road, and the perfect way to ensure it meets your specific needs is to personalize your vehicle with Land Rover accessories.

We carry a wide range of stylish and practical interior and exterior accessories. We also offer a variety of carrying and towing components, wheels and wheel accessories.

## **Meticulously Designed and Engineered**

Land Rover accessories are engineered by the same team that designed your vehicle. They are the experts who understand every inch of your Land Rover and its capabilities. Their expertise allows them to create accessories that complement the overall design of your vehicle, while optimizing performance.

## **Tested to the Highest Standards**

All Land Rover accessories are rigorously tested and inspected to ensure they meet the exacting standards you expect from Land Rover. This ensures they always work in harmony with your vehicle.

Accessories are tested in extreme hot and cold temperatures to ensure they will perform in all conditions, all year round.

Corrosion resistance testing ensures accessories can withstand demanding climates, such as coastal conditions, while a series of tests ensures seamless integration with the existing safety features of your Land Rover.

Accessories are put through their paces with a series of bespoke tests specific to their design, function and the materials from which they're made. Exterior accessory testing, for example, includes:

- Exposure to up to two years of direct sunlight known as 'Florida Weathering'.
- Heat Aging Test for 500 hours.
- Extreme Heat Test ranging from -40°C to 80°C.
- Heat Shock Testing during which parts are cooled to -40°C for 16 hours, then heated to 70°C for 5 minutes.
- Humidity Resistance Test where accessories are subjected to 168 hours at 48°C in 95-100% humidity.
- Accelerated Environmental Cycle Testing comprising a relentless barrage of salt, dirt and dust to simulate real world driving.

## **Quality Assured**

For additional peace of mind, all Land Rover accessories come with a minimum 12-month warranty or can be covered under your vehicle's existing warranty if they're purchased within the first month of ownership or 1,600 kilometres (whichever comes first).
